

## **Announcement of Strategic Partnership between BlueTree Education and Humanities Hub**

BlueTree Education and Humanities Hub are pleased to announce a strategic partnership as part of our continuing effort to expand our network of trusted and reputable education service providers for parents and students from primary school all the way to junior college.

In a market saturated with centres of varying standards, we are recognised pioneers and trendsetters in our areas of expertise in the humanities, languages, mathematics and science. We are confident that with our team of dedicated and experienced tutors, parents would be assured that their children would not only just cope but excel in school.

To celebrate our partnership we are giving in-house students from both centres a 10% discount off the holiday programmes if they sign up with our partner centre. In addition, we will offer one free trial (worth \$70-\$80) lesson for students interested in joining the regular classes in 2018. To enjoy the discount or opt for the free trial, please quote our promo code “**BTreeHHub88**” when registering for programmes at either BlueTree Education or Humanities Hub.

### **About BlueTree Education**

BlueTree Education Learning Centre is an education enterprise that aims to redefine learning, thinking and creativity in the ever-changing education landscape in Singapore.

At BlueTree Education, we want to grow every child to be a thinker, a learner, and an achiever. Our curriculum is designed not only with academic excellence in mind; we want every child to acquire the core thinking skills of thinking critically, inventively, and reflectively as their foundation for learning. Our differentiated teaching strategies and small class sizes facilitate a conducive learning environment that supports a thinking culture.

Our team of teachers are a group of passionate and dedicated ex-school teachers. They deploy different classroom strategies based on their years of teaching experience and together, with our proven curriculum, they deliver effective and meaningful, fun lessons to our students.

At BlueTree Education, we offer Primary Math Tuition, Primary Science Tuition, GEP Math & Science, Secondary Math, English & Science Tuition at Bukit Timah and Kovan.

During school holidays, we also organize holiday programmes for students to enrich their learning. We also conduct PSLE booster programmes for Primary 6 & O level students to ensure that they are ready to excel in this crucial examination.

HUMANITIES HUB  
*Pioneers in Humanities Tuition*

### **About Humanities Hub**

When Humanities Hub was founded in 2012, we were the pioneers in providing specialised language and humanities tuition in Singapore. Now into our 6<sup>th</sup> year, Humanities Hub has seen more than 1,000 students go through our doors and helped them achieve significant grade improvements in their humanities and language subjects, like English, Social Studies, History, Geography at the 'O' Levels and General Paper, Economics, History and Geography at the 'A' Levels. We are also centrally located at The Adelphi, next to City Hall MRT Station.

Our dedicated tutor team has an average of 15 years of teaching experience in top secondary schools and JCs. They also have a stellar track record in producing top students and government scholars.
